

Notice of Non-Consent and Non-Submission

To All Persons, Entities, Governments, Courts, Agencies, and Corporations Whom It May Concern:

I, **Jonathan Daniel: Clements**, a living, sovereign natural person and Trustee of **The Clements Private Trust**, hereby issue this formal **Notice of Non-Consent and Non-Submission** to all parties with whom I may have contact or dealings, whether present or future.

1. Non-Consent

I do **not consent** to be bound by any statutory laws, regulations, mandates, or contractual terms imposed without my **express, voluntary, and informed consent**.

I reject any claim of authority or jurisdiction by any government, court, agency, or corporation over my natural person or private estate without lawful contract and full disclosure.

I explicitly refuse all **involuntary contracts**, obligations, levies, liens, penalties, and claims not based on my sovereign agreement.

2. Non-Submission

I hereby declare my **non-submission** to all statutory jurisdictions, administrative authorities, and governmental or quasi-governmental entities unless and until I have freely consented by written agreement.

I do not submit to any public office, officer, or process acting beyond their lawful jurisdiction or authority.

Any purported jurisdiction or claim against me or my trust without my explicit consent is null, void, and without lawful effect.

3. Affirmation of Trust and Sovereign Legal Status

I am the sole Trustee and beneficiary of **The Clements Private Trust**, a private, irrevocable, and perpetual trust governed under natural law, common law, ecclesiastical law, and applicable private contract law.

My trust and all related legal instruments hold my sovereign identity, property rights, and commercial interests.

Any dealings with me or on my behalf must acknowledge and respect this trust status and my sovereign rights.

4. Notice to Third Parties

This Notice serves as formal and binding notification to all third parties, including but not limited to governmental agencies, courts, corporations, financial institutions, and service providers, that:

I do not waive any of my sovereign rights;

I do not consent to statutory jurisdiction or involuntary contracts;

Any attempt to impose such will be considered unlawful and met with all lawful remedies, including commercial liens, claims, and international notices of dishonor.

5. Effective Date and Duration

This Notice is effective immediately upon delivery or posting and remains in full force and effect indefinitely until revoked by me in writing with the same formality.
